

DEPARTMENT OF SOCIOLOGY

BHARATI COLLEGE UNIVERSITY OF DELHI

A place where ideas originate and reflect in a critical frame.

Developing objective knowledge about society and its structure

VISION

Developing Sociological Imagination of our students to actively engage with contemporary social issues

Holistic development of our students while engaging with the micro and macro perspectives

A person is shown in silhouette from the back, looking through a telescope. The background is a city skyline at sunset, with the sun low on the horizon, casting a warm glow over the buildings. The sky transitions from orange near the sun to a darker purple and blue at the top.

SWOC ANALYSIS

STRENGTHS

- Strength arises from the innovative pedagogical strategies implemented which have successfully ensured active student participation.
- The emphasis on active student participation strengthens the educational experience, facilitating the exchange of ideas and the development of critical thinking skills.
- Leveraging an interdisciplinary approach fosters strength by enriching the diversity of students and faculty within the academic community.

WEAKNESS

- Collaborations on research projects with both governmental and non-governmental organizations.
- Signing MoUs with non-governmental organizations for advancing research skills among students.
- Providing internships specific to the building of sociological imagination of students.

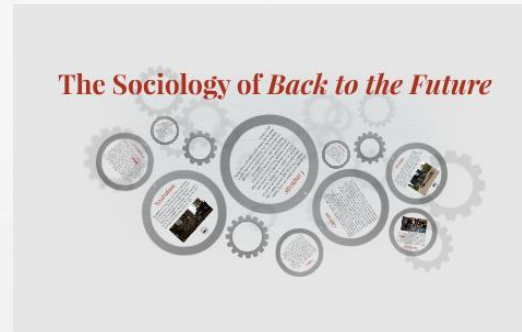

Opportunities

- Organizing career counselling session for those interested in advancing their studies in sociology at the higher education level.
- The department aims to provide students with comprehensive information on opportunities such as webinars, workshops, and short-term courses, fostering engagement and collaboration with relevant organizations.
- Through proactive initiatives, students gain first-hand knowledge and resources to navigate their academic and professional journey in sociology, facilitated through one to one interaction during tutorial meetings.

Challenges

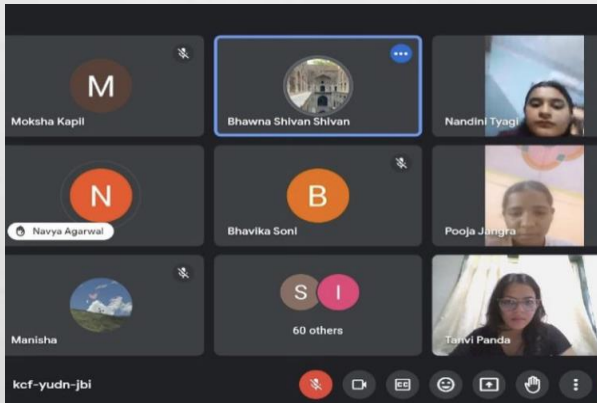

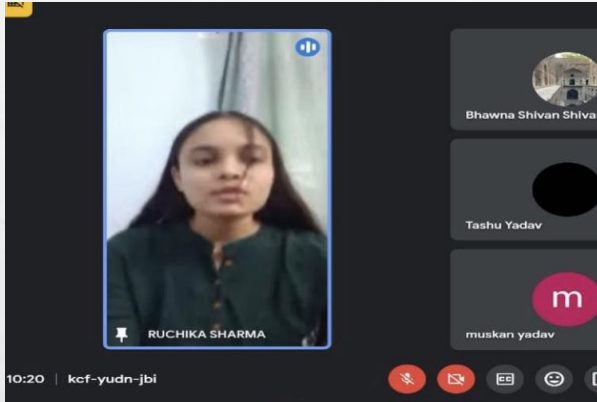

- Students often struggle to establish connections within the field of sociology during their first two semesters, grappling with the complexity of translated works from languages such as French and German.
- The initial phases of sociology courses are marked by difficulties as students grapple with the intricacies of memorising sociological concepts and vocabulary.
- Articulating sociological arguments in their answers is a challenge for students.

SUGGESTED ROAD MAP

- Foster a collaborative and inclusive learning environment where students feel supported and encouraged to explore sociological concepts.
- Continuously assess and adapt pedagogical practices based on student feedback and emerging trends in the field of sociology.
- Promote a culture of lifelong learning and intellectual curiosity within the sociology department, encouraging students to actively engage with the discipline beyond the classroom.
- Organizing capacity-building and creative writing workshops for students.

HESTIA UNION ELECTIONS 2023-24

Annually, the Department of Sociology conducts a democratic election to select members for Hestia from all three graduate years. Numerous students campaign on social media leading up to the election. On election day, candidates deliver speeches before students from all years vote via a Google Form. Faculty members tally the votes, and results are announced on the same day.
