

## **Workshop on Air Pollution – 16<sup>th</sup> April 2024**

Workshop on Air Pollution was organized by the Department of Environmental Studies, Bharati College on 16<sup>th</sup> April 2024 in the seminar room, Bharati College. Different activities such as Presentation, Play, Sound Therapy and Discussion were done by students under the supervision of Dr Rashmi Kumari Department of Environmental Studies, Bharati College.

We specially appreciate the core team of Students of Political science (H) 2<sup>nd</sup> semester for their hard work and dedication to complete this event successfully.

This event was facilitated by Professor Saloni Gupta, Principal of Bharati College, University of Delhi by involving students for doing different activities to present environmental issue in public platform and understand environment and their importance under Vikshit Bharat Abhiyan and LiFE.

Many faculties appreciated and had long discussion with students during this event.
