

College : Bharati College, University of Delhi

Society: National Service Scheme

Date: 7th of April, 2024

Program: Unnat Bharat Abhiyan

Activity Title: Medical Camp in Tihar and Titarpur villages.

Summary:

On April 7, 2024, NSS Bharati, in collaboration with Sewa Bharati, National Medical Organization (NMO), and Siddhi: Philanthropic Foundation, organized medical camps at Tihar Village and Possangipur Village in Delhi, India. The camps aimed to address the healthcare needs of the villagers and provide essential medical care and services. The key participants, including Dr. Pawan, Dr. Nagpal, and Dr. Santosh, worked together to ensure the success of the camps.

Objectives:

1. Provide medical care to the residents of Tihar and Possangipur Villages.
2. Conduct blood checkups, BP monitoring, sugar tests, and other essential medical procedures.
3. Collaborate with local organizations to maximize the impact of the medical camps.
4. Raise awareness about healthcare and promote the well-being of the villagers.

Key Participants:

- NSS Bharati
- Sewa Bharati
- National Medical Organization (NMO)
- Siddhi: Philanthropic Foundation
- Dr. Pawan and Dr. Nagpal (Tihar Village)
- Dr. Santosh (Possangipur Village)
- Clove Dental Care

Key Outcomes:

- On April 7, 2024, medical care was provided to 52 villagers in Tihar Village and 89 villagers in Possangipur Village.
- Blood checkups, BP monitoring, sugar tests, and other medical procedures were conducted to ensure the well-being of the residents.
- Clove Dental operated a specialized tooth care center in Tihar Village, providing dental services to the villagers.
- The collaborative efforts between NSS Bharati, Sewa Bharati, NMO, and Siddhi Foundation enhanced the impact of the medical camps.

Achievements:

- The healthcare needs of the villagers in Tihar and Possangipur Villages were effectively addressed through the medical camps.
- The provision of essential medical care promoted the well-being of the residents.

- The medical camps raised awareness about healthcare and emphasized the importance of regular checkups.
- The collaboration between different organizations showcased the power of collective efforts in making a positive impact.

Conclusion:

The medical camps organized by NSS Bharati, in collaboration with Sewa Bharati, NMO, and Siddhi Foundation, on April 14, 2024, successfully provided essential medical care and services to the residents of Tihar and Possangipur Villages in Delhi, India. The dedication and collaborative efforts of the key participants made it a resounding success.
