<b>Name of Teacher</b>	Dr Bindia Trivedi	<b>Department</b>	<b>Sanskrit</b>
<b>Course</b>	B.A (H)	<b>Semester</b>	VI
<b>Paper</b>	Indian Ontology and Epistemology	<b>Academic Year</b>	2022-2023

**Learning Objectives**

The Ontology and epistemology of Indian Philosophy or in general the Indian world view of knowledge, truth and belief about making sense of the self and the world. This course is important in imparting knowledge about one of the greatest school of India, The Vaisheshik.

**Learning Outcomes**

All Indian philosophical traditions are deeply engaged with ontology, the study of being, since clarity about the nature of reality is at the heart of three intimately connected goals: knowledge, proper conduct and liberation from the continued suffering that is part of all human existence. Students will be able to understand the different theories of Vaisheshik Philosophy and will be able to relate it with the universe.
