

NATIONAL SERVICE SCHEME

BHARATI COLLEGE

UNIVERSITY OF DELHI

The National Service Scheme unit of Bharati College, University of Delhi, organized a plantation programme on 6th and 7th of July, 2022, to celebrate the occasion of Van Mahotsav.

Van Mahotsav or Forest Festival is an annual tree-planting festival celebrated in the month of July. It is celebrated from 1 to 7 July to spread awareness of forest conservation.

OUR AIM:

Through this event, NSS Bharati, aimed to create knowledge and awareness among the volunteers about the importance of planting trees and forest conservation. Van Mahotsav was thus celebrated to plant trees and to stress the significance of environmental conservation.

OUR PHILOSOPHY:

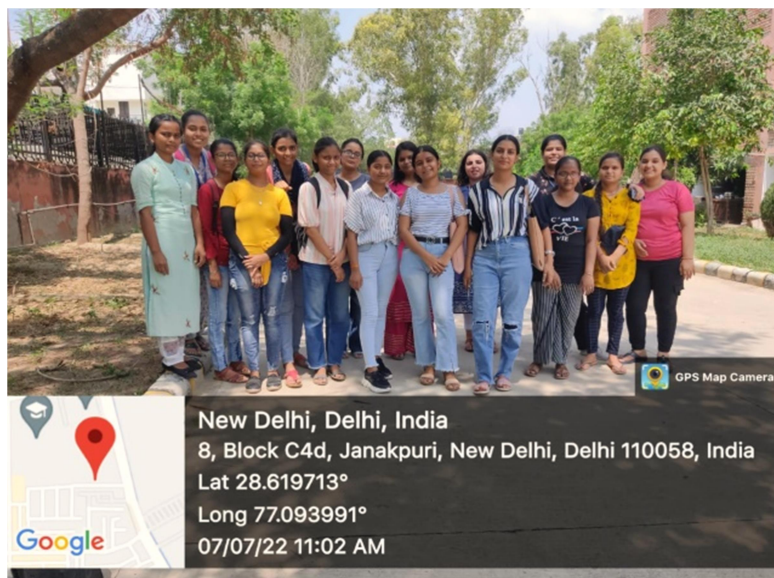

Forests cover nearly 31% of our planet's land area. Lost forests mean the disappearance of rural livelihoods, increased carbon emissions and degradation of land. It is important to give attention to environmental issues such as deforestation and rectify our actions accordingly. Through this event, NSS Bharati volunteers involved themselves in plantation and spread environmental awareness.

ABOUT THE EVENT:

The volunteers were asked to reach the college grounds at 10.30 A.M ON 6th and 7th July. They were given saplings which they planted by themselves in various spots in and around the college premises. Around 30 volunteers took part in this plantation drive.

GLIMPSES OF THE EVENT:

***“What we are doing to the forests of the world
is but a mirror reflection of what we are doing
to ourselves and to one another”***

-Mahatma Gandhi

The event was a great success as volunteers in large numbers took part in it. NSS Bharati congratulated the volunteers and expressed gratitude for their participation. NSS unit of Bharati College hopes to organize more such events in the future as well.
