**OUR PHILOSOPHY:-** cleanliness is a basic right and need of everyone. Each one of us is obliged to take initiative. If a single young person can sensitise a few people about keeping the environment clean, removing plastic then eventually we will succeed in creating awareness regarding this phenomenon. For the sake of environment we all need to pour ourselves for the cause which NSS bharti college tried to do and will keep doing.

**COURSE OF THE EVENT:- The drive was held at red fort in delhi on 12 October 2022. Here, 60 volunteers from NSS bharati college participated zealously. It was indeed a successful event as we had pure objective to achieve.**
