

# NATIONAL SERVICE SCHEME BHARATI COLLEGE

UNIVERSITY OF DELHI

The National Service Scheme unit of Bharati College, University of Delhi, organized an event-Nukkad Natak on 11th July 2022, to spread awareness on the occasion of world population day.

The world population day seeks to focus attention on the urgency and importance of population issues, was established

by then governing council of united nation development programme in 1989. The theme set by united nations for this year's world population day was 'A world of 8 billion': towards a resilient future for all, harnessing opportunities, equal rights and choices for all.

### OUR AIM:

**“ THE POWER OF POPULATION IS INDEFINETLY GREATER THAN THE POWER IN THE EARTH TI PRODUCE SUBSISTENCE FOR MAN” Thomas Malthus.**

The day is celebrated to reflect on the current state of population and the ways in which every life can be made better, and individual rights, choices can be upheld by offering infinite possibilities!

### OUR PHILOSOPHY:

The world population is expected to increase by 2 billion persons in the next 30 years from 7.7 billion currently to 9.7 billion in 2050 and could peak at nearly 11 billion around 2100.

This drastic growth has been driven largely by increasing number of people surviving to reproductive age, and has been accompanied by major changes in fertility rates, increasing

urbanization and accelerating migration. The basic unit which lays foundation for it all is family which needs to be educated and controlled wherein our event focussed the most as the cue changes the whole circle of habit.

## ABOUT THE EVENT:

The volunteers embraced the college's ground at 9 A.M ON 11<sup>th</sup> of July 2022. The event started at 10 A.M in which volunteers through nukkad natak channelized their concern regarding population growth , its negatives and how to control it. Around 30 volunteers took part in this enlightening event.

## GLIMPSES OF THE EVENT:

The event was indeed a success as students gathered in abundance and tried evolving their perception regarding this burning issue . NSS unit of bharati college looks forward to knit such progressive thoughts well in society in the times to come.
