Subject: Issue of GE Subject not being allotted.

~~Dear~~ Respected Sir / Ma'am,

I am a student of Bharati College. I am studying in 5th semester (final year). I am writing this letter as I've not allotted my GE Subject yet. I tried to fill the GE Online form but was unsuccessful due to some technical problem in the form. I wrote an application to the admin, still there ~~are~~ were no updates. I asked the admin about further updates ~~his~~ and he replies by saying "Every student is studying Micro-economics you must also go in that class." Due to this statement by him, I selected Micro-economics in my course selection form.

By this letter I request you to please allot me Micro-economics as my GE Subject, because I've already selected Micro-economics and I don't believe there is a option to change it.
Thank you.

Dear Ma'am,

I, Ananya Mishra from B.Sc. (Hons.) Mathematics, have studied GE-English Literature in the first two semesters. But now, in semester - III, I have been allotted GE-Politics of Nature. As we get a minor degree in the GE subject if we study the same subject in all the semesters. And also I

chose the subject because I was interested in that.

So, I want you to add my name back in the GE I had studied before which is GE-English Literature.

I hope you will understand my concern and consider to it.

Subject: Request for change of GE and SEC.

Respected Madam,

I hope this letter finds you well. I am a first semester student of Journalism department. I joined college through IInd spot round and got my login credentials on 25th September. The college was mostly closed the following week. I went upto the administrative office and asked about courses - GE and SEC. I told my preferences to them as the portal was not having any submission option. They didn't ~~allot~~ allot me my preferred courses. but allotted me 'Marketing for beginners' as GE and 'Harmonium' as SEC. I want to change them to Essentials of Economics as GE and 'Advanced Spreadsheet tools' as SEC.

Kindly look into the matter as I'm planning to have a minor in Economics.

Thank you for considering my request.
